<i>Beyond Waste Plan Implementation</i>	
Technical Assistance to Local Governments (STCA)	13 FTEs
• Facility compliance, permitting, engineering, and hydrogeology	
• Illegal dumping enforcement assistance	
Waste Reduction & Recycling Technical Assistance (WRRICA,LTCA,STCA)	13.29 FTE (7 FTEs cut)
• Moderate Risk Waste - reduction, recycling and safe management of MRW	
- Environmentally Preferred Purchasing	.5 FTE cut in HWTR
• Organics recycling - agriculture waste, org. waste to fuels & energy	partial suspension
- composting assistance, food waste prevention	partial suspension
• Green building - building materials, C&D recycling, reuse	partial suspension
- education, outreach, technical assistance	suspended
• Measurement - OFM performance measures and progress report	partial suspension
- waste characterization study	suspended
• Recycling - disposal and recycling rate	
- product stewardship coordination	
- comingled standards	
- transporter registration / enforcement	partial suspension
-technical assistance to local governments on recycling	
• Solid waste financing	
Regulatory Work (WRRICA)	<i>part of 13.29 FTE above</i>
• Solid waste laws update	partial suspension
• Rules revisions and coordination (350, 351)	Rules moratorium limiting work
Reduce Toxic Threats (LTCA, STCA, federal grant)	3.5 FTEs
• Children’s Safe Products Act Implementation	partial suspension
• Chemical Action Plan implementation and development for PBTs	partial suspension
• Toxics and nutrient prevention to Puget Sound	
State Planning (WRRICA)	<i>part of 13.29 FTE above</i>
• Beyond Waste plan outreach, development and update	suspended
Grants and Local Planning Technical Assistance (LTCA)	10 FTEs (2 FTE cut)
• Local solid and hazardous waste planning technical assistance for waste reduction, recycling, and disposal programs and infrastructure	
• CPG technical assistance: grants for waste reduction, recycling, beyond waste implementation	
• Public participation grants: pollution prevention and public involvement at cleanup sites	partial suspension
• Remedial action grants for local government toxic site cleanup	
Publications & Websites (WRRICA, LTCA)	4 FTEs (.5 FTE cut)
• Annual reporting - summary document and legislative reports	
• Database, website, publications development, coordination & maintenance	partial suspension
• 2Good2Toss / Closed Loop Scoop	suspended
• 1-800-Recycle hotline and database	partial suspension
• Information Clearinghouse	
Fee Generated Activities (Individual fund sources)	11.04 FTEs
• E-Cycle Washington Product Stewardship	2.74 FTEs
• Mercury Lights Product Stewardship	1.65 FTEs
• Tires - prevention and funding to cleanup piles	0.65 FTEs
• Biosolids - permitting, land application, technical assistance	6.0 FTEs
<i>Prevent and Pick Up Litter</i>	
Prevent and Pick Up Litter (WRRICA)	3.8 FTEs (2.35 FTEs cut)
• Litter contracts to local government	partial suspension
• State agency contracts for litter pick-up	partial suspension
• Litter pickup with Ecology Youth Corps and Median Crews	partial suspension
• Litter Hotline; Litter Prevention and Education campaign	suspended
<i>Industrial Facilities</i>	
Industrial Facilities (STCA and other fund sources)	15.6 FTEs
<i>Management, Administration and Budget /Fiscal</i>	
Management, Administration and Budget /Fiscal (WRRICA, STCA)	16.4 FTEs (1.2 FTEs cut)
NOTE: This category has absorbed work from the cuts above such as transporter registration, litter, and waste & climate.
